## ABOUT ME

I was born on the 29.07.1986 and I grew up in Germany, as was my dad was serving in the army. I moved to Britain back when I was 8 years old and have attended school and art college till I completed my HND back in 2006.

I have knowledge in graphic design, web design, programming, photography and flash design. Can use a mixture of different programs and feel comfortable using both pc and mac depending on the job.

I enjoy driving and have done for almost 5 years and enjoy going out now and then, playing guitar and riding my bmx bike when I can.

## EMPLOYMENT & EXPERIENCE

### WORK EXPERIENCE

During high school I did two weeks work experience at Clayton Carrington based in Dewsbury where I learnt how a business works from meetings with a client to the different roles within an organisation.

Spent some time during summer in 2004 working at Instinctiv-e New Media in Barnsley where I learnt about web design and how to use html and css properly, and a little bit about PHP.

To finish my HND in Graphic Design I spent 3 months working for Focus G the official marketing agency for Converse and Ecko clothing in the UK.

I worked on graphics and other media for direct merchandising and promotion for stores and magazine ads.

### EMPLOYMENT

**Fizz Design & Marketing Ltd // Designer**  
January 06 - March 07

Spent a year and a half mainly working on websites whilst at Fizz, but was also the assistant designer to the Studio Manager where I learnt how to set-up for major publishers, made a few brochures and how to deal with customers from meetings to telephone communication.

**QBCAgency // Designer**  
May 07 - Jan 09

Worked at QBC based in Lockwood, Huddersfield where I did both print design and web design. I've learnt skills in setting up print runs, working with a mixture of different clients and working on both print and web design projects.

## EDUCATION

**1997 - 2002 // KING JAMES'S HIGH SCHOOL**

10 GCSES in ART, GRAPHICS, BUSINESS STUDIES ETC

**2002 - 2004 // BATLEY SCHOOL OF ART & DESIGN**

GNVQ DESK TOP PUBLISHING, NCFE MATHS, ENGLISH, IT LVL2, NCFE PHOTOGRAPHY & AN ND IN MULTIMEDIA LVL 3.

Learnt skills in layout and learnt to use film, photography, web design and build, animation and graphic equipment to create artwork.

### HND GRAPHIC DESIGN

Studied and developed my design and illustration, learnt about the print process and how to use a mixture of design programs.

## SKILLS

I have skills for both print design and web design, communicating with clients and working as a team or on my own depending on the project.

To create artwork or website's I use the following programs, depending on what I have been asked to create:

**Photoshop, Freehand, Quark, InDesign, Illustrator, Aftereffects, Premiere, Final Cut, Dreamweaver & Flash.**

When building website's I can code using the following languages:  
**Html, Xhtml, Css and I use Php & MySQL Occasionally.**
